## COMPANY PROFILE

### >>> About Us

Founded in 2007, HonestBee focus on the beeware industry, has grown to be a integrated with researching and developing, manufacturing and marketing.

## Economy Small Honey Filling And Bottling Machine

Item Number: HFM-4P

### Introduction

Discover the versatile honey filling machine for precise, efficient honey packaging. Handles 50g-5kg bottles, 320 bottles/hour, with a 1g error.

[Learn More](#)

Parameter	Specification
Applicable Materials	Honey, Oil, Detergent, Viscous Liquids
Material	Food-Grade Plastic
Voltage	100-240V, 12V
Power	120W
Filling Height	0-23cm Adjustable
Honey Type	Baume Degree Below 42.5 Degrees, 20°C Fluidity Honey
Filling Weight Range	50-5000 grams
Filling Efficiency	500g honey 320 bottles/hour
Features	Counting Function
Interface language	English
Equipment Size	29*28*24cm

# Automatic Honey Filling Machine Small Honey Jar Bottle Filler Packing Machine

Item Number: HFM-5

## Introduction

Discover precision and efficiency with our automatic honey filling machine, designed for seamless honey packaging. Perfect for small to large-scale producers. Explore now!

[Learn More](#)

Parameter	Specification
Applicable Materials	Honey, Oil, Detergent, Viscous Liquids
Material	Food-Grade Plastic
Voltage	100-240V, 12V
Power	120W
Filling Height	0-33cm Adjustable
Honey Type	Baume degree below 43 degrees, 15 °C fluidity honey
Filling Weight Range	50g-10kg
Filling Efficiency	500g honey 360 bottles/hour
Features	Counting Function
Interface language	English
Equipment Size	36*30*16cm

# Small Automatic Honey Filling Machine With Filter Honey Bottling Packaging Packing Equipment

Item Number: HFM-6

## Introduction

Discover high-quality honey bottling equipment for precise, efficient filling. Ideal for small to large-scale honey production, ensuring consistency and reduced labor costs.

[Learn More](#)

Parameter	Specification
Applicable Materials	Honey, Oil, Detergent, Viscous Liquids
Material	Food-Grade Plastic
Voltage	100-240V, 12V
Power	250W
Filling Height	0-33cm Adjustable
Honey Type	Baume degree below 43.5 degrees, 5-90 °C fluidity semi-crystalline honey; If using filter, Baume degree below 42 degrees, 20 °C fluidity honey
Filling Weight Range	50g-10kg
Filling Efficiency	500g honey 500 bottles/hour
Machine Features	Counting Function, with filter
Filter	120 mesh 304SS filter
Interface language	English
Equipment Size	36*30*16cm

# Honey Sachet Packing Filling Machine Single Nozzle For Small Pack Honey

Item Number: HFM-6P

## Introduction

Honey sachet packing machine: Precision filling for small-scale beekeepers. Dual systems, adjustable height, 470 bottles/hour. User-friendly, energy-efficient, 120-mesh filter.
