Feature	Description
High Quality	Food-grade, BPA-free plastic, designed for lifetime use.
Gentle Extraction	Less chance of stings, bees barely notice the process.
Increased Harvest	Approximately 3 kilos of honey per frame.
Compatibility	Compatible with existing hives, frames can be shortened to fit.
Hassle-Free	No mess, no heavy lifting, no expensive equipment.
Clear View	Transparent end-frame allows monitoring without opening the hive.
Easy Flow	Turn the key to extract honey directly into your jar.
Stress-Free	Less stressful for bees, easier for beekeepers.
