Feature	Description & Benefit
Integrated Hive Tool	Combines two essential tools in one, saving time and increasing workflow efficiency.
Scissor-Action Grip	Provides a secure, non-slip grip and a straight vertical lift, protecting the bees and queen.
Durable Steel Construction	Built to withstand the rigors of commercial use, ensuring a long and reliable service life.
High-Visibility Color	The bright orange finish makes the tool easy to find in the apiary, reducing loss.

Parameter	Details
Product Name	Multi-Function Frame Grip with Hive Tool
Materials	Coated Steel (Handle/Frame), Steel (Jaws)
Dimensions (L x H)	Approx. 18.00 cm x 10.00 cm (7.07 in x 3.93 in)
Color	High-Visibility Orange

Feature Summary	Benefit for Your Business
2-in-1 Functionality	A significant time-saver, which translates directly to increased labor productivity for commercial operations.
Enhanced Bee Safety	The straight-lift mechanism reduces bee mortality, contributing to stronger, more productive colonies.
Robust & Practical Design	A durable, long-lasting tool that offers a great return on investment and builds customer loyalty for distributors.
Unique Selling Proposition	The multi-function design makes this a standout product in any distributor's catalog, attracting customers looking for efficiency.
