

Heavy-Duty Lever-Action Frame Grip With Hive Tool

Item Number: BFG-5

Introduction

Heavy-duty lever-action frame grip for commercial beekeepers. Lift heavy frames with ease. Durable steel, integrated hive tool.

[Learn More](#)

Feature	Description & Benefit
High-Leverage System	Multiplies the user's strength, making it easy to lift heavy frames and reducing physical fatigue.
Integrated Hive Tool	A 2-in-1 design that streamlines workflow by eliminating the need to switch tools for prying and lifting.
Heavy-Duty Steel Build	Engineered for maximum durability and a long service life under demanding commercial use.
Secure Serrated Jaws	Guarantees a non-slip grip on the frame, enhancing safety and preventing costly drops.
Customizable Colors	Available in standard red, with options for custom colors (yellow, white, green, pink, etc.) to match your brand or operational needs.
