Feature	Benefit / Value
<b>Premium PE/PP Material</b>	Rust-proof, weather-resistant, and built for longevity. A cost-effective, durable solution.
<b>Precision-Molded Slots</b>	Reliably confines the queen, ensuring brood-free honey supers and a pure harvest.
<b>Bee-Friendly Smooth Finish</b>	Protects bees from harm, supporting a strong and productive colony workforce.
<b>Multiple Colors &amp; Patterns</b>	Offers choice and high visibility for easy identification in the apiary.
<b>Standard &amp; Custom Sizes</b>	Fits all common hive types and can be tailored to specific wholesale requirements.
<b>Lightweight &amp; Easy to Clean</b>	Reduces labor and improves operational efficiency and hive hygiene.
