Parameter	Description
Material	Made of stainless steel, which is sturdy and difficult to bend or break.
Use	Great for lifting up frames and scraping off excess wax or propolis on frames and hive walls.
Easy to Find	Painted an attractive red to make the hive tools easy to find when working outside in tall grass and easily distinguishable from other beekeeper tools.
Durable and Practical	Our hive tools have a thick, strong feel, ideally sized handle, making the tool easy to store in beekeeping jacket pockets, in your smoker, or beekeeping supplies toolbox.
