

Professional 3-Bar Frame Grip With Integrated Hive Tool

Item Number: BFG-6

Introduction

3-in-1 stainless steel frame grip for beekeepers. Pry, scrape, and lift frames efficiently. Durable, rust-proof tool for commercial apiaries.

[Learn More](#)

Feature	Description & Benefit
3-in-1 Integrated Tool	Combines a frame grip, pry bar, and scraper, maximizing workflow efficiency and saving valuable time.
All-Stainless Steel Frame	Offers superior strength, longevity, and rust-proof performance; easy to sanitize for optimal hygiene.
Textured Hose Grips	Provides a secure, comfortable, and non-slip grip that reduces hand fatigue during prolonged use.
Serrated Jaws & Spring Action	The toothed jaws offer a tenacious grip on the frame, while springs allow for quick one-handed operation.

Parameter	Details
Product Name	3-Bar Stainless Steel Frame Grip with Hive Tool
Material	Stainless Steel, PVC Hose
Overall Length	25.5 cm
Handle Width	12.5 cm

Feature Summary	Benefit for Your Business
Unmatched Efficiency	The 3-in-1 design directly translates to faster work and increased labor productivity for commercial operations.
Superior Durability	A one-time investment in a tool built to last a lifetime, providing an excellent return on investment.
Enhanced User Comfort & Safety	Reduces physical strain and provides a secure grip, leading to a safer and more productive work environment.
Unique Selling Proposition	A high-performance, multi-function tool that stands out in any distributor's catalog and appeals to professional beekeepers.
