Feature	Description	Benefit for the User
Material	High-grade Polypropylene (PP)	Extremely durable, weatherproof, UV-resistant, and long-lasting. Will not rot or fade.
Large-Format Design	Large, bold numbers in high-visibility green.	Easy to read from a distance, increasing efficiency and safety in the apiary.
Comprehensive Set	Includes multiple copies of frequently used numbers on one sprue.	Practical and cost-effective, providing the right digits for any hive number combination.
Two-Point Mounting	Each number features two pre-drilled holes.	Ensures a secure, stable attachment that will not twist or loosen over time.
Lightweight	The entire set weighs only 29g.	Easy to handle and transport to the apiary; low shipping costs for distributors.
