Feature	Benefit
All-in-One Head Design	Consolidates multiple tools (pry bar, J-hook, groove cleaner) into one.
Solid Stainless Steel	Maximum strength, rust-proof, easy to sanitize, and built for longevity.
Frame Top Groove Cleaner	A unique, precision feature that saves time and improves frame maintenance.
Wide Beveled Scraper	Handles heavy-duty scraping of wax and propolis with ease.
Ergonomic Shape	Provides a comfortable, secure grip for better control and less fatigue.
