Feature	Benefit
High-Grade Stainless Steel	Maximum durability, rust-proof, easy to sanitize, and long service life.
Right-Angle Pry Bar	Provides powerful leverage to separate stubborn hive bodies and supers.
Wide Beveled Scraper	Quickly and efficiently cleans propolis, wax, and debris from all hive components.
Ergonomic "Hourglass" Design	Offers a comfortable, secure grip that reduces hand fatigue and improves control.
Integrated Nail Puller	Adds crucial convenience for quick, in-field equipment repairs.
Single-Piece Construction	Exceptionally strong with no weak points; will not bend or break under heavy use.
